

The Way Our Union Works

Caucus – action-oriented affinity group

WEA & NEA RA (Representative Assembly) – these are representative meetings where members can send advocates to lobby for their needs at the state and national level. Each April FPEA sends reps to Spokane to advocate for changes in education.

WEA-PAC & NEA-FUND – political organizing arms of the unions. Members must sign-up separately and choose their contribution rate. Everything we do in public education is political – now more than ever.

UniServ – regional offices and resources connecting local unions to the state union. We share a UniServ with Bethel (cert), Puyallup (cert and paras), Fife (cert), and FPESP (clerical staff in FP Schools).

Your union membership makes you a member of FPEA, WEA, and NEA.
